BAKERS CONFECTIONERY

Bakers confectionery are a group of “sweet stuff” include all our favorites--cookies, pastries, muffins and the like. In recent years to cater to the healthy choices, the confectionery has grown to be less sugary and much more creative in shapes, flavors and colors. Gluten and allergen free products and whole grain choices are widely available as well. Look at our variety!

Mmm....

CAKES

The ingredients of our cake products are carefully selected for the best quality. That's why they taste so delicate and moist, yet so fluffy. Our bakers dedicate so much time and their heart to develop the right texture just so they can see the customers' happy faces. Many products are conveniently individually packed so you can enjoy them anytime, anywhere!

Yum!

CHOCOLATE SNACKS

Everyone loves chocolates. No doubt. And look how many varieties of chocolate products we have here. And try how perfectly blended they are to melt in your mouth. We pay extra attention to its quality and detail. We hope you enjoy not only the solid chocolates but also their collaboration with other ingredients as well. We guarantee you find your favorites.

Mmm....

NUTS

CRUNCHY

HEALTHY

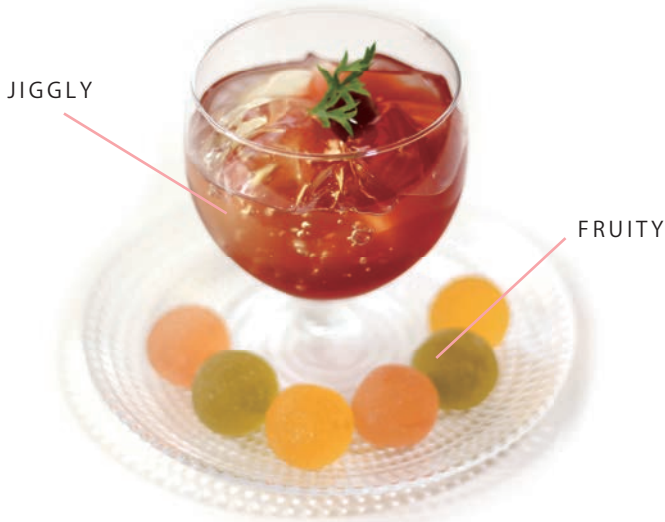

Nuts became the most recommended snacks in recent years because they are rich in vitamins and minerals and is good for your heart. They're tasty, convenient, and can be enjoyed on all kinds of diets — from keto to vegan. Of course, we have many types of nuts products available for everyone. We hope you choose them as your healthy snack.

Love it!

JELLY

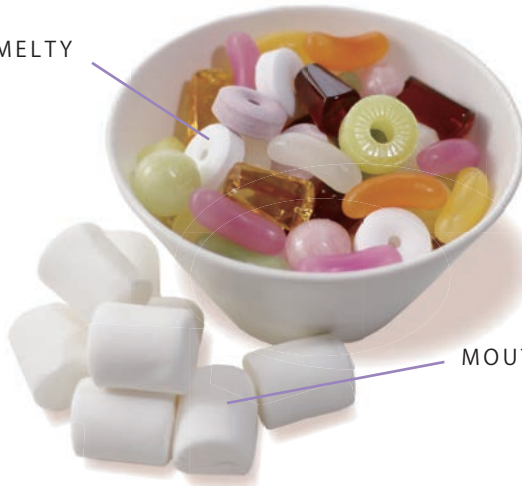

Jellies can be in different shapes and flavors. The popular fruits versions, for example, can be carefully hand made, or they can be served cold, or they can be drinkable. And from Asia, black bean jelly is a popular variety too. With its relatively low calorie nature, the jelly snacks are the choice of snack among many children and adults now a days.

Happy

CANDIES

MELTY

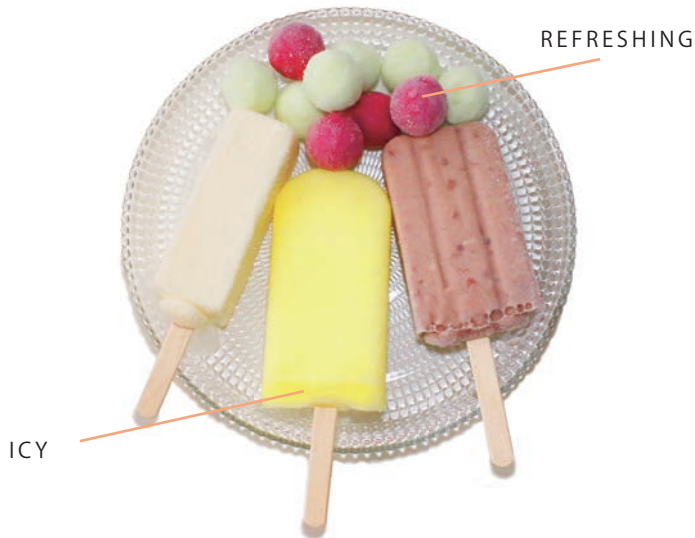

MOUTHWATERING

It brings back your nostalgic memories from your olden days when you hear the word, candy. That's because candy has played an important role in cultural traditions and celebrations for thousands of years and continues to be enjoyed by most people. Please try our sugarless and organic kinds for your healthy choice.

Sweet

FROZEN DESERT

Ice creams and popsicles...who doesn't love these all-American frozen dessert. It's just that we made them much more creative than the traditional flavors. What we don't forget is that we always use the highest quality ingredients to our creations. Do you know why? Because frozen desserts are part of our lives!

CRACKERS & CHIPS

CRUNCHY

CRISPY

Crackers and chips are the king of snacks. Let us proudly introduce our all-time classics and also the new concept varieties. The creators work hard everyday to develop new and improved versions and products. They are getting much healthier these days using more natural ingredients. No wonder they are loved by so many people.
